

ELECTION NIGHT SPECIAL EDITION THE STANFORD INTERIOR JOURNAL.

VOLUME XXXVIII NO. 88

STANFORD, LINCOLN COUNTY, KENTUCKY, TUESDAY, NOVEMBER 7, 1911

EVERY TUESDAY AND FRIDAY

McCreary Elected Governor By Almost 40,000 Majority

DEMOCRATS COME INTO THEIR OWN AGAIN IN TREMEN- DOUS LANDSLIDE

Sweeping Kentucky from stem to stern and rolling up a truly old-time majority, James B. McCreary was elected Governor of Kentucky Tuesday over Edward C. O'Rear by almost 40,000 majority. The official returns may reach that figure for each county reporting shows large democratic gains.

At ten o'clock Tuesday night the Louisville Evening Post issued a special edition conceding McCreary's election by 40,000. John W. Langley, O'Rear's campaign manager acknowledged defeat early in the night and went home.

McCreary's strength surprised even his own most enthusiastic friends, for not only did he sweep the normal democratic districts of the state by large majorities, but he went right into the enemy's stronghold and held him to barely 17,000 in the Bloody Eleventh district, and seems to have redeemed the Tenth and carried the Ninth by big majorities.

Estimates made on his majorities from the counties reporting rather irregularly during the night were as follows:

1st District	12,000
2d District	6,000
3d District	2,000
4th District	3,000
5th District	4,500
6th District	7,000
7th District	7,000
8th District	3,000
9th District	2,000
10th District	360

Total majorities.....49,000
O'Rear's maj. in 11th dist....17,000

McCreary's majority.....32,000

It was an overwhelming victory in every sense of the word and completely shows how truly the people of Kentucky are tired of republican mismanagement of their state government.

Returns from Lexington at a late hour indicated the election of Ernest Cassidy, the democratic candidate for mayor by about 150 majority. He made a gallant fight against the republicans and bolting democrats and will make a splendid mayor.

Some splendid news comes from Frankfort. The county of Franklin gave McCreary a majority of 1695 over O'Rear and the regular Democratic ticket for City Councilmen won over a bolting democratic ticket and a Republican ticket by 300 majority; and a democrats school board won. This was a great victory and it is understood that after the returns were in Circuit Clerk Ben Marshall and Commonwealth's Attorney Robert B. Franklin, who seemed to take a delight in fighting the democratic organization in the Capital City, announced their retirement from politics. Let 'em go.

KENTUCKY'S NEW GOVERNOR

In Garrard county that sterling young democrat, John Farra was elected to the Legislature by 150 and McCreary got the county by the same figure. As Garrard generally goes 500 republican in state races, this was a splendid victory.

Boyle county went 400 democratic and elected Francis Douglas to the legislature. Mercer went 300 and elected George Chinn. Shelby went over 1,000 for McCreary and sends John Holland back to the lower house, while Anderson shows up with about 200 and elects J. R. Paxton.

Madison, normally a big republican county, went only 112 for the O'Rear ticket, while Montgomery, O'Rear's home county went over 400 for McCreary, increasing its usual democratic majority.

Marion county went 754 for McCreary, a splendid democratic gain. Tom Combs was defeated for reelection as State Senator from Fayette county by about 150 votes.

Although a tremendous fight was made on him by the temperance forces, Senator Joe Bosworth was re-elected from the Bell district. He lost Pulaski to his independent opponent, Dr. Hendren by 500 majority, however.

The Pulaski county democrats did splendid work, cutting down the usual republican majority of 2,500 to about 1,400.

Nelson county, Ben Johnson's home county, came up smiling with a majority of 944. Sweet Owen did her usual graceful stunt with 1,900 democratic majority. Henry county gave 1,200, Scott 801, Fleming 252, Elliott 517, and Breathitt came in to the tune of 662 for democracy.

Down in the First district, McCreary swept all before him and the night rider vote which was expected to go to O'Rear evidently did not trust him. Marshall county gave McCreary 900 majority.

In Laurel county McCreary cut the usual republican majority of 1,200 to 1,500 down to 600 and other Eleventh district counties showed up likewise.

The democrats carried the Clinton and Wayne legislative district, getting Wayne by 200 and Clinton

by about 300 overturning a 600 republican majority there.

Jim Garnett's home county, Adair stuck nobly to him and came in with 200 safely democratic.

In the First district Hickman and Fulton counties showed up with 1100 and 950 majorities, respectively. Owensboro and Daviess county gave almost 1,500 majority and Henderson county about 900. O'Rear got Leslie county in the Eleventh by 609 and was lucky to get that as the republican normal vote was cut about half in two.

Almost complete returns from Louisville and Jefferson county give McCreary 4,500 majority, and this is a splendid showing since Wilson carried Louisville by 8,000 over Hager, and this means a turning to 12,000 votes.

The great news comes from Cincinnati that Henry T. Hunt, the first public official to boldly defy the notorious Cox machine, was elected mayor by an overwhelming majority. This is a great victory for good government. Hunt is a democrat.

In Massachusetts, the republicans came into power again by defeating for re-election the democratic Governor Foss.

Some other democratic majorities in Kentucky counties were as follows: Simpson 728, Todd 218, Spencer 621, Grant 640, Shelby 1027, son 287, Trimble 782, Gallatin 630, Meade 399, Washington 54, Robertson 282, Woodford 440.

LINCOLN COUNTY IN LINE— DEMOCRATS CARRY COUN- TY AND ELECT SHANKS

And there stood old Lincoln!

Not to be outdone by her sister counties in the great victory, she rolled up the splendid majority of 250 for McCreary and the entire state ticket. And Will Shanks goes back to the Legislature, defeating Ed Hubbard by about that same majority. Had it not been for the fall-down in the two Crab Orchard precincts, McCreary's majority in Lincoln would have been much larger. It was impossible to get the complete returns from the outlying precincts at the early hour at which the I. J.'s election special went to press Wednesday morning, but the returns at hand, show that the Democrats carried nine out of the 13 precincts in the county and the majority of 250 is considered very good in a governor's race. In 1907 Lincoln only gave Hager, the Democratic nominee for governor, a majority of 8.

All four of the Stanford precincts went democratic by handsome majorities, even Macksville, which showed up with 68 majority for McCreary and 78 for Shanks.

Both the Crab Orchard precincts went big republican, as did No. 2 at Hustonville, Highland and Turnersville. Good old Waynesburg showed up with a substantial majority and King's Mountain went democratic by a scant majority. Hubbard's campaign hurt in that section of the county.

The vote on the stock law was hard fought in the Waynesburg and returns are not in from them on the result. The stock law carried by a substantial majority in Stanford magisterial district.

"OLD" TICKET WINS

One of the prettiest fights of the campaign was the councilmanic fight in Stanford which the "Old" ticket backed by all of the republican leaders and a number of the democratic workers, won over the "New" or Law and Order ticket by about 80 majority. The two tickets broke about even in the Court-house precinct, but the "Old" ticket carried the Engine House by about 35 and Macksville by about 52.

At Hustonville the "Old" ticket was again returned a winner but the New ticket won at Crab Orchard. The issue there is said to have been upon the building of concrete pavements, and the election of the new board insures their construction, it is said.

HOUSE BURNS DOWN

And Neighbors Come To Rescue of Tom Tapp at Rowland

Last Thursday morning, about 7 o'clock, the house and most of its contents, belonging to Mr. Tom Tapp of Rowland, was burned to the ground. The fire started in the kitchen from a defective flue. Mr. Tapp is a very honorable and industrious man, has a wife and three little children depending on him for, not only shelter, but for food and clothing and the good people of this community will not let this worthy citizen go down when a little assistance from all will place him in a position where he can stand alone and take his little family through the winter. Mr. Fowle, for whom he works, having faith in the community assumed the responsibility of a two room house and the kind neighbors are all giving their work and rushing its completion so the little family can once more have a happy home. Will you help this worthy citizen who is down? If so hand your donation to Mr. Fowle.

DAKOTA JACK THE MONTANA COW BOY.

Asks you the question, "are you a man?" or a piece of a man? should you see a wagon with a wheel broken down or some of the running gear broken would you ask the question "Is that a wagon?" The answer would come back "No that's a piece of a wagon." Why should not the same apply to mankind, when man is the greatest piece of machinery on earth. If you are broken down, with rheumatism, Stomach, Kidney, Blood or nervous diseases, you are only a piece of a man. A black smith will repair the wagon and a 45 day treatment of Parsley's Indian Herbs will repair the broken down man. People were put here on earth to wear out like machinery, not to die with little frivolous diseases. Parsley's Indian Herbs have repaired hundreds of broken down men and women and will do the same for you. God made nature's remedies. Parsley's Indian Herbs are Nature's own remedies and you can get 45 days treatment for \$1.00 at Shugars and Tanner's drug store and a bottle of cow boy liniment free until Nov. 20th. Creme soap. Ask Shugars & Tanner for about two cakes free, also Nature's remedy.

FREE RAILROAD TRIP TO CINCINNATI

A. E. Burkhardt, the International Fur Merchant, who is making Cincinnati famous as one of the world's great fur centers, extends an invitation to all the citizens of Stanford who intend to purchase furs for this season to visit Cincinnati and inspect his enormous plant, where furs are manufactured and sold direct "from Trapper to Wearer," thus eliminating all "middlemen's" profits. They are the largest purchasers of raw skins in this country, being exporters and manufacturers and their low prices on furs of all styles and varieties for women's wear are positively beyond all possibility of competition. This is the generous proposition he makes:

Go to Cincinnati, look over A. E. Burkhardt's enormous stock in the two six floor buildings at the corner of Main Streets and Third Ave., select just what you want, and the cost of your railroad fare, for BOTH WAYS, will be paid by the firm, providing it does not amount to more than ten per cent of the purchase price of the article. All goods are marked in plain figures and you need not mention that you wish railroad fare refunded until AFTER making your purchase.

We advise our readers to take advantage of this liberal offer.

A Helpless Invalid

Restored to Health by Lydia E. Pinkham's Vegetable Compound

A woman who is sick and suffering, and won't at least try a medicine which has the record of Lydia E. Pinkham's Vegetable Compound, is, it would almost seem, to blame for her own wretchedness. Read what this woman says:

Richmond, Mo. — "When my second daughter was eighteen months old I was pronounced a hopeless invalid by specialists. I had a consultation of doctors and they said I had a severe case of ulceration. I was in bed for ten weeks, had sinking spells, and was pronounced to be in a dangerous condition. My father insisted that we try Lydia E. Pinkham's Vegetable Compound, and brought me six bottles. I soon began to improve, and before it had all been taken I was as well and strong as ever,—my friends hardly recognized me so great was the change." — Mrs. Woodson Branstetter, Richmond, Mo.

There are literally hundreds of thousands of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering.

Read what another woman says:—

Jonesboro, Texas. — "I have used Lydia E. Pinkham's Vegetable Compound for myself and daughter, and consider it unequalled for all female diseases. I would not be without it for anything. I wish every mother in America could be persuaded to use it as there would be less suffering among our sex then. I am always glad to speak a word of praise for Lydia E. Pinkham's Vegetable Compound, and you are at liberty to use this testimonial." — Mrs. James T. Lawrence, Jonesboro, Texas.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound had the virtue to help these women it will help any other woman who is suffering from the same trouble?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice—it is free and always helpful.
